Question: How can I know for sure that Jesus is the Son of God?

Answer: There are several ways to prove Jesus' identity as God's Son.

1st...His claims. More than once Jesus claimed to be God's Son. On the night of His trial, the high priest asked, "*Are you the Christ, the Son of the Blessed One?*" And Jesus answered, "*I am.*" (*Mark 14:61-62*).

2nd...Fulfilled prophecies. Though the OT prophets wrote hundreds of years before Jesus was born, they made over 300 predictions about Him, all of which came true!

3rd...His miracles. The apostle John wrote, "*And truly Jesus did many other signs in the presence of His disciples, which are not written in this book; but these are written that you may believe that Jesus is the Christ, the Son of God...*" (*Jn. 20:30-31*). Who can read the accounts of Jesus walking on water, or feeding 5,000 people with only five loaves and two small fish and not believe in Him as God's Son?

4th...His resurrection. This is the greatest evidence of all because Jesus not only said He'd rise from the dead, but He did it, and over 500 people at one time saw Him after He arose (*1st Corinthians 15:3-8*).

Since the evidence weighs heavily in favor of Jesus being God's Son, the question must then be asked, "What will you do with Him?"
